

AASP/NJ MEMBER ALERT

Exclusive MEMBERS-ONLY Health Plan!

AASP/NJ, in partnership with World Insurance, a global leader in benefits, is in the process of building an EXCLUSIVE health plan for AASP/NJ members only!

We are currently in the process of developing a competitive rate structure for the plan, **but we need your help.**

We ask that AASP/NJ members and their employees take a moment to [complete a Personal Health Questionnaire \(PHQ\)](#).

There is NO OBLIGATION, and your completion of the PHQ does not commit you to anything. The data from these responses will simply assist in determining the rate structure for AASP/NJ members as we continue to finalize plan details.

The more member participation we get, the lower our group's rates will go! Data provided will NOT be shared, or used directly. We are collecting this information in a way that is HIPAA compliant, to be sent to in-house underwriters ONLY. Your information will not be shared or sold.
